

## Microdermabrasion

Price: £200

### Summary:

Microdermabrasion is a very popular, specialised treatment suitable for most skin types.

It is a non-surgical, non-invasive, painless skin rejuvenation treatment.

During this course you will be taught how to perform a manual exfoliation using a Diamond Microdermabrasion machine, remove the top layer of dead skin cells, blackheads, whiteheads, smooth out fine lines, wrinkles, work on problematic skin, resulting in young, youthful radiant looking skin.

This pain free procedure can be combined with other skin rejuvenating treatments such as Dermaplaning and LED Mask.

This is a fantastic course which once added to your services, will get you regular and repeat clients.

Accreditation: ABT

Useful information:

Once you have enrolled onto the course and paid the course fee, you will be sent the manuals and questionnaire.

The questionnaire must be completed as home study and emailed back to your tutor to check you have passed the first part of the course.

You must print and bring the manual to the practical session upon completing the questionnaire.

Products and equipment are provided on the day.

For the practical session you will need to show that you can confidently complete the techniques.

If you fail the practical session another training day will be rearranged, you will be charged for this.

Once the practical session is complete you will be sent the certificate via email.

Course duration may vary depending on learning speed and class size.

As your course is accredited this will allow you to gain insurance, work self-employed in a salon, from home or mobile.

During group sessions you will work on each other.
