

## Laser Hair Removal

Price: £625

### Summary:

Laser hair removal is an advanced and reliable long-term solution for removing unwanted body hairs.

This course is ideal for beauty therapists, nurses and doctors wanting to widen their prospects and work with laser/ipl. During this training course students will work through theory, go through the process of laser hair removal, watch live demonstrations, have the opportunity to practise on models, discuss how to remain compliant.

### Course duration:

Theory: Completed at your own pace

Practical training: Half day

### What will the course cover?

- History of Light and energy devices
- Properties of laser light
- Health and safety
- Appearance of the therapist
- Skin structure
- Skin analysis
- Hair growth
- Consultations and Patch test
- Fitzpatrick scale
- Contraindications
- Sterilisation and disinfection
- Licenses
- Insurance
- Aftercare
- Demonstration
- Student practical session and assessment

Pre - Entry requirements:

Nationally recognised level 3 in beauty. Suitable for Doctors or nurses. Core of knowledge is mandatory.

Accreditation:

ABT

Useful information:

Once you have enrolled onto the course and paid the course fee, you will be sent the manuals and questionnaire.

The questionnaire must be completed as home study and emailed back to your tutor to check you have passed the first part of the course.

You must print and bring the manual to the practical session upon completing the questionnaire.

Products and equipment are provided on the day.

For the practical session you will need to show that you can confidently complete the techniques.

If you fail the practical session another training day will be rearranged, you will be charged for this.

Once the practical session is complete you will be sent the certificate via email.

Course duration may vary depending on learning speed and class size.

As your course will be ABT accredited this will allow you to gain insurance, work self-employed in a salon, from home or mobile.

During group sessions you will work on each other.

Refreshments:

- Hot drinks supplied
- You can bring a pack lunch
- Restaurants, cafes nearby
